Emergency Department Syphilis/HIV/HCV Screening Program (EDSP) 2023-2026 Awardees

BRIDGE
Treatment. Equity. Connection.

The CA Department of Public Health and Bridge awarded $13,125,000 in funds to 28 hospital emergency departments in fourteen counties across the state to implement, expand, or sustain a routine opt-out syphilis, HIV, and hepatitis C virus (HCV) infection screening program, and provide patient navigation linkage to treatment and prevention. The awardees represent a diversity of high-volume, mid-volume, and low-volume EDs in urban and rural areas.
